

Thank You for Choosing Figgins Trees & Turf!

Follow the instructions below to learn how to care for your newly planted perennials

Week 1

Soak the soil around your new perennial for **3 minutes every other day**.

Weeks 2-3

Soak the soil around your new perennial for **3 minutes once per week**.

Continued Care

Soak soil around the roots **on warm/dry days in the morning or late evening**. Prune (cut away dead or overgrown branches or stems) as needed.
